

# Bibliografía

Oxford University Press ha anunciado la edición de los *Writings and Correspondence of Edward Gibbon* en 26 volúmenes, al cuidado de David Womersley, que está llamada a ser la edición de referencia en el futuro y que incorporará la edición crítica de *Decline and Fall* que el profesor Womersley ya ha publicado y consignamos abajo. Hasta que esa edición vea la luz, resumimos, en orden cronológico, la bibliografía actualizada en tres apartados: 1) ediciones generales (de *Decline and Fall* solo la edición de Womersley), 2) literatura de referencia y 3) traducciones al español. Buena parte de las entradas se encuentra disponible en internet y es de fácil acceso.
